HEADTEACHER: MISS M. MORRIS

29th June 2020

Dear SFCC and MSDC,

I am writing to thank you for returning to coach PE sessions at Manby Lodge. When we reopened to larger groups of children at the start of June we weren't sure if we would be able to resume normal activities. Ensuring the safety of pupils and staff, whilst adhering to new guidance, made it seem really difficult.

However, we made the decision that it was important to offer the same quality of PE that we did before. We are really glad that we did! Now you have come back, children from Year 2 and our Key Worker groups are enjoying 'Multi-Sports' sessions with you again.

From the first session, any concerns we may have had about external coaches being back into school were quickly removed.

Since returning to work at Manby Lodge, we have been impressed by the way you have adapted to our 'new normal'. We liked how you managed the groups, putting in place modified systems to deliver sports activities that maintain social distancing between pupils and coaches. Additionally, the cleaning of equipment between activities was greatly appreciated.

It was great to see the children in the playground enjoying themselves, while doing exercise. It has provided them with something else to look forward to each week.

With thanks, we look forward to seeing you every week until the end of the Summer Term.

Yours sincerely

Miriam Morris
